Press Release

Tsunami Compressed Air Solutions™, a division of Suburban Manufacturing, Inc., is proud to partner with Gerber Collision to outfit their new US Headquarters with Tsunami clean air equipment.

Elmhurst, IL - For Immediate Release – Gerber Collision and Glass, one of the largest auto collision and glass repair companies in North America, cut the ribbon on their brand new US headquarters in Elmhurst, IL on April 15th, 2016. The state-of-the-art facility features Tsunami clean air equipment to ensure proper filtration, drying, and draining of contaminated compressed air throughout the facility. Gerber Collision & Glass Elmhurst services include collision repair, auto body repair, auto dent removal and scratch repair, frame straightening, auto paint repair, paint-less dent repair (PDR), bumper repair, and more.

GERBER COLLISION

For over 75 years, vehicle owners have trusted their automotive collision and auto glass repairs to Gerber Collision & Glass. Quality workmanship backed by our National Lifetime Guarantee and outstanding customer service are just a few reasons why our customers choose to bring their vehicles to Gerber. Gerber comes highly Wreck-Ommended.

TSUNAMI COMPRESSED AIR SOLUTIONS

Tsunami Compressed Air Solutions offers a complete line of products designed and developed to assist customers in obtaining dry, clean air for their specific application needs. Tsunami systems use the latest technology to provide the cleanest, driest compressed air available. Use of the Tsunami products can help save 10%-15% of compressed air energy costs.
