

Job Description

Production Assembly Technician

At Suburban Manufacturing Group, our culture is built on our shared core values – Can-Do action, Relentless curiosity, Craftsmanship and Positive collaboration and commitment. This means our people come to the table with ideas, recommendations and solutions. They work together with a shared sense of urgency, continually striving to improve and make decisions for the greater good – with open, honest, and respectful communication.

Our products assembled here in Monticello, MN and are developed to improve our customers' equipment performance while providing safety, energy efficiency, reliability and protection for people and equipment.

Assembler Duties and Responsibilities:

- Work with team and individually to assemble products
- Assemble components accurately and quickly
- Perform quality checks and verification
- Meet safety requirements for the company
- Use hand tools, fixtures, and power tools to make parts and products.
- Interpret documents such as diagrams, blueprints, work instructions or other verbal or written instructions.

Assembler Preferred Qualifications:

- High school diploma or GED equivalent
- Ability to lift at least 40lbs
- Excellent hand eye coordination
- Must have good eyesight along with the ability to differentiate colors
- Ability to stand and work for extended periods of time
- Strong mechanical aptitude

Experience:

Previous manufacturing or assembly experience preferred but we are willing to train and invest in the right candidate.

Work Schedule:

- Monday – Thursday 6:00-4:30 and optional overtime as work load dictates.

Job Type: Full-time

Pay: \$16.00 - \$17.00 per hour

COVID-19 considerations:

To keep our employees safe, we have staggered shifts, separated work stations, and disinfect work areas daily. We also completely exchange our plant air with fresh, outside air several times per day. Masks, safety glasses, cleaning supplies provided.
