

SPRAY FOAM PROFIT PROTECTION

ONE COMPANY. TWO BRANDS. ALL PERFORMANCE SOLUTIONS.

TSUNAMI AIR FILTRATION & DRYING SYSTEMS

Maximize material yield and lengthen time between maintenance intervals with Tsunami Compressed Air Solutions, a division of Suburban Manufacturing Group.

- ✓ Increases Profit / Increase Yield
- ✓ Prolongs Gun Maintenance Intervals
- ✓ Extends Transfer Pump & Agitator Life

Before After

SIDEWINDER SPRAY FOAM SLEEVE

The Sidewinder SPF Sleeve incorporates advanced insulation and abrasion-resistant materials to enhance spray-ability and provide higher yields.

- ✓ Up to 60% Energy Savings
- ✓ Installs in Minutes
- ✓ Protects Against Abrasion & High UV

SIDEWINDER DRUM WARMER

The Sidewinder Drum Heater provides optimal flow and viscosity of materials while avoiding the chances of boiling and froth.

- ✓ Prevent frozen & spoiled materials
- ✓ Heat to desired temp
- ✓ Get jobs done on time

SIDEWINDER SPRAY FOAM SLEEVE

Forget the duct tape and nylon sock! Bundle up with the "all-season" SPF Sleeve. **Sidewinder SPF Sleeve installs in minutes and offers unmatched hose protection from heavy abrasion, moisture, and temperature energy loss.** SPF Sleeve is available in non-insulated and radiant-lined versions with and without the fresh air hose pocket.

DESCRIPTION	ITEM #	DIAMETER (IN)
NON-INSULATED SLEEVE - 50' w/ end straps	SW-2173	2.38
NON-INSULATED SLEEVE - 50' w/ end straps, & fresh air hose pocket	SW-3190	2.38
NON-INSULATED COUPLER GUARD - 3' w/ straps	SW-2174	3.5
INSULATED SLEEVE - 50' w/ Radiant Liner & end straps	SW-2175	2.25
INSULATED SLEEVE - 50' w/ Radiant Liner, end straps, & fresh air hose pocket	SW-3172	2.25
INSULATED COUPLER GUARD - 3' w/ Radiant Liner & straps	SW-2176	3.5
WHIP HOSE COVER - 7' w/ end straps	SW-2413	2.38
WHIP HOSE COVER - 22.6' w/ end straps	SW-2545	2.38

SIDEWINDER DRUM WARMER

The Sidewinder Drum Heater provides optimal flow and viscosity of materials while avoiding the chances of boiling and froth. It's available for 55-gallon drums and in two control options: integrated or fixed.

DRUM HEATER WITH CONTROLLER

ITEM #	DESCRIPTION	HEIGHT	CIRCUMFERENCE
SDH-055-120	Insulated Drum Heater	34"	79 ¾"

FIXED TEMP DRUM HEATER

ITEM #	DESCRIPTION	HEIGHT	CIRCUMFERENCE
SDH-055-FT80	Drum Heater / 80F Fixed Temp	34"	79 ¾"
SDH-055-FT100	Drum Heater / 100F Fixed Temp	34"	79 ¾"

- Integrated Controller
- Hook & Loop closure with straps/buckles
- Easy install
- PVC coat
- Prevents frozen & spoiled materials
- Fixed Temperature
- Three buckles with tightening straps
